General Information

Limitation of Liability Clause

Please note: All outlined particulars are approximate values and are only valid as references, which are not binding, also with regard to possible protection of third parties. Therefore, these values can only be used in a limited sense for construction purposes, and do not exempt you from your own examination of suitability of the products delivered by us.

The application of the products is carried out outside our control possibilities and, therefore, is exclusively subject to your own area of responsibility.

If, however, liability should be possible, it would be limited for all damages to the value of the goods supplied by us and in use by you. It goes without saying, that we guarantee the perfect quality of our products according to our general sales terms and delivery conditions.

Due to technical advances, dimensions subject to change without notification. This catalog supercedes all previous catalogs.
